THE guaranteed circulation of the  
EVENING BULLETIN is over one thousand

of that fact. The paper is sent daily to a  
large list of subscribers in every town in  
this county.

MARCH is an important month with  
the tobacco growers, a general change of  
homes being made. Any number of  
wagons filled with their household ef-  
fects can be seen on any day between  
the first and tenth of this month. The  
good condition of their stock and the ap-  
pearance of their families would indi-  
cate that the past year was a successful  
one to the industrious Mason County  
tenant.

**Fountain of Youth.**  
Every year a great army of invalids  
visit Florida in search of health. Ponce  
de Leon, the famous old Spanish explor-  
er, searched there for the supposed  
Fountain of Health, which he thought  
would keep every body youthful. Bet-  
ter stay at home and take Brown's Iron  
Bitters. This helps up the debilitated,  
the languid and the consumptive. Mr.  
P. Bonknight, of Missoupa, Florida, says,  
"everything failed to cure my dyspepsia.  
At last I tried Brown's Iron Bitters with  
complete success."

**Lavinia Shannon Combination.**  
Miss Lavinia Shannon, who is to ap-  
pear at the opera house this evening in  
the leading role of the Ticket-of-Leave  
Man, is a charming and accomplished ac-  
tress, of whom the press in all parts of  
the country notice most favorably. She  
will be supported by Mr. Giles Shine, a  
gifted young actor, who has at different  
times supported nearly all of the leading  
theatrical celebrities of the day. The  
entertainment this evening will be one  
of rare interest and those who fail to be  
present will certainly miss some very fine  
acting, by one of the best troops that  
has visited Mayville in a long time. Re-  
served seats may be secured at Taylor's  
news depot for 50 cents. General ad-  
mission, 35 cents; balcony, 25 cents; gal-  
lery, 15 cents. The Mayville band will  
furnish the music.

The exhibition by Mr. Robert E. Morn-  
ingstar, the expert roller skater, attracted  
a crowd of more than two hundred per-  
sons, who were amply repaid for their  
visit by witnessing the graceful and won-  
derful feats of the accomplished skater.  
Many of the movements were of the  
most difficult character and seemed  
hardly possible to accomplish on rollers.  
The exhibition will be repeated this  
evening, and we advise those who have  
not yet seen Mr. Morningstar, to avail  
themselves of the opportunity to witness  
his skating to-night.

**Rinklets.**  
Roller skaters are born, not made.  
Mr. G. W. Phillips is no slouch on  
rollers.  
The ladies last night all skated well  
and gracefully.  
"Squire Marlow's" skating was both grace-  
ful and dignified.

There was a smaller awkward squad  
last night than usual.  
Very little chalk was carried away  
from the rink last night.  
Mr. Robert E. Morningstar will appear  
at the Covington rink to-morrow evening.  
Mr. T. J. Curley is making good pro-  
gress, and promises to become a graceful  
skater.  
The floor bumpers, who were few, con-  
fined themselves to the space in the cen-  
ter of the floor, which was a wise idea.  
Mr. T. A. Davis made himself gener-  
ally useful to the ladies last night, and  
you know when a man can do that he is  
picking up fast.

Master Frank Manna appeared to fine  
advantage last night. He understands  
the use of rollers as well as any amateur  
freighter of the rink.

Manager McIlhenny seems to be the  
right man in the right place. He ap-  
peared to have perfect control of the large  
crowd present, at all times last night.

There were a few youthful visitors at  
the rink last night about as graceful as  
cows. Skating does not seem to be  
their forte. Let them try sewing wool.

One of the instructors at the rink ex-  
plained the other night that  
Mayville has all its own children's skates.  
He says this is not the case in other parts  
of the country.

At the rink next Saturday evening  
every lady visitor will be presented with  
a piece of sheet music entitled, "We  
Will Meet at the Rink To-night." The  
song written by Stephen A. Bonbright  
and is published at 40 cents.

**Lincoln's Wedding Suit.**  
[Continued from Tuesday.]  
New stories about Lincoln are suc-  
cessfully numerous, but I can vouch for  
this one being genuine. It was told me  
by a friend, who said:  
"An uncle of mine was a tailor in  
Springfield, Ill., at the time Lincoln was  
married, and he came to him to have his  
wedding suit made. Old Abe, or it was  
young Abe in those days, was always a  
great fellow to joke, and he ordered his  
clothes in such a peculiar way that my  
uncle thought it was only a bit of his fun.  
He was under the impression that Lin-  
coln was joking about the matter. The  
wedding suit was made and delivered to  
the bride and groom, and the wedding  
was held for several hours, but Lin-  
coln, delayed until his clothes were fin-  
ished."

**We All Know Her.**  
[Continued from Tuesday.]  
Firm mother to buy—"Didn't I tell  
you that I'd whip you if you played in  
that water again, say!"  
Firm mother—"Then why did you do  
it?"  
Boy—"Because I didn't believe you."  
Firm mother—"Never mind, you  
shan't go down town with me when I go;  
see if you do."

throughout the United States that it is hardly  
necessary to state that he is the originator of  
the great Dr. Henshaw Cough and Lung Syrup  
the "Cough Cure," wherever known, Dr.  
Coughs, Colds, Consumption and all affections  
of the Throat and Lungs. Price 50 cts. and

Piles are frequently preceded by a sense of  
weight in the back, loins and lower part  
of the abdomen, causing the patient to suppose  
he has some affection of the kidneys or neigh-  
boring organs. At times, eruptions of in-  
flammation are present, or a feeling of burning  
about the rectum, or a feeling of itching, or  
after getting warm, is a common attendant.  
Blind, bleeding and itching piles yield at once  
to the application of Dr. Henshaw's Pile Rem-  
edy, which acts directly upon the diseased  
tissue, absorbing the tumors, playing the  
inflammation and curing the disease. Price  
50 cts. Address the Dr. Henshaw Medi-  
cine Co., Plain, Mo. Sold by Geo. T. Wood.
